

## Make school a breeze at Morningside Academy!

Build reading, writing, mathematics,  
thinking skills, study skills, and  
organizational skills.

Small group instruction celebrated  
with our Daily Support Card!

- Students develop motivation and pride in their accomplishments, build self-esteem and self-concept.
- We build on existing academic skills and tailor individualized and small group instruction to meet each student's needs.
- Our teachers know that all students will be successful given the proper curriculum placement and instructional materials, with opportunities to practice newly learned skills and strategies.
- We combine research-based methods including Precision Teaching, Talk Aloud Problem Solving, and direct instruction, which lead to rapid academic progress for all students.
- For students who qualify, four weeks of attendance guarantees 50% of a year's growth (5 months) in the skill of greatest deficit or your money back.

## Summer School 2019

"Teaching is adjusted until the student is successful. No one falls through the cracks. Practicing skills until they are fluent may be the most important part of what we do. Speed and accuracy together is what 'fluency' is all about."

*—Kent Johnson, Ph.D., Founding Director*

**Half Day Program:** \$375 per week

**Full Day Program:** \$750 per week

**Assessment/Orientation fee:** \$120

## The Learning Guarantee

The learning guarantee will only apply to eligible students who attend the full four weeks of morning classes in their skill of greatest deficit, as determined by our testing and other resources. *Please note other restrictions apply: see Julian, our School Psychologist.*

## Assessment & Placement

Each student who enrolls will come for placement testing prior to the summer program. With this plan, instructional time will not be taken up with testing. Based on assessment results, students will be enrolled in courses that best address their academic deficits. If the student does not attend a placement assessment session, testing will occur on the first day of school.

## Leisure Program

Activities are available before and after classes for an additional fee.
