

Morningside Academy

a nonprofit 501(c)(3)

Be a champion of change for struggling students

Your act of kindness will help make a positive lifelong impact on the growing number of students with learning differences. By partnering with Morningside as a **Sponsor** or making a **donation of Items** - large or small - you will become a champion of change for students in need of educational assistance.

Join us May 7th, 2021 at 6 pm for our **Virtual Fundraising Auction**. We will highlight our supporters and how individuals like you are helping students in need to find success and regain confidence. Registration is free!

Morningside Academy is a non-profit 501(c)(3), 91-1183562
To join us, become a sponsor, donate items to our auction and register:
SupportMorningside.in/2021

The need to support students who had fallen behind prior to the pandemic was great, and now the need is even greater. Morningside has been an educational leader in helping students catch up, and get ahead for more than 40 years. Our mission to help students be successful and gain confidence. We continue to be effective, even in these challenging times. By using our evidence-based instructional methods, our students and faculty track progress and celebrate successes!

Your donation will have an immediate positive impact on the specialized educational program we provide. Your contribution helps us with the necessities that our students and teachers require, and will provide support for those families in need of scholarships.

Thank you for choosing to be a champion of change for the students and families we serve!
