

## Make school a breeze at Morningside Academy!

Build reading, writing, mathematics,  
thinking skills, study skills, and  
organizational skills.

Small group instruction celebrated  
with our Daily Support Card!

- Students develop motivation and pride in their accomplishments, build self-esteem and self-concept.
- We build on existing academic skills and tailor individualized and small group instruction to meet each student's needs.
- Our teachers know that all students will be successful given the proper curriculum placement and instructional materials, with opportunities to practice newly learned skills and strategies.
- We combine research-based methods including Precision Teaching, Talk Aloud Problem Solving, and direct instruction, which lead to rapid academic progress for all students.

**Excellent Curriculum Design +  
Outstanding Teachers =  
Guaranteed Academic Success**

# Summer School 2021

"Teaching is adjusted until the student is successful. No one falls through the cracks. Practicing skills until they are fluent may be the most important part of what we do. Speed and accuracy together is what 'fluency' is all about."

*-Kent Johnson, Ph.D., Founding Director*

# 2021 Summer School Classes

Choose AM, PM or both

*Catch up! Get ahead!*

## ELEMENTARY BASIC SKILLS

*Academic build up!*

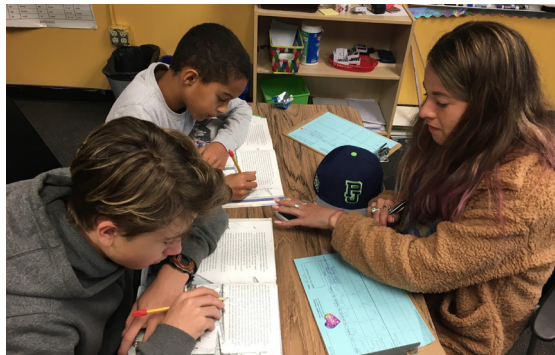

## CONTENT COURSE PREPARATION

AM only: 9:25 am – 12:10 pm

### Entering Grades 6-9 in Fall 2021 Reads at or above the 5th grade level

Study skills, organizing material, paper layout, proofreading, test taking, textbook use, memorizing, answering questions, note taking and more!

Content Course Prep is designed for students with reading skills at or above grade level. Want to boost your performance? Select this course as prep for middle school or high school.

## Assessment & Placement

*Assessment helps us determine class placement.*

Each student who enrolls will complete placement testing prior to the summer program. With this plan, instructional time will not be taken up with testing. Based on assessment results, students will be enrolled in courses that best address their need.

If the student does not attend a placement assessment session, testing will occur on the first day of school.

Assessment protocols are under development as we monitor health and safety considerations. More information will be available soon.

## Tuition & Fees

Nonrefundable \$500 fee reserves your space and is applied to tuition due. Balance due June 1st.

### Half Day Program:

Week 1: \$375 (4-day week)

Weeks 2-4: \$450 per week
