

MAKE A DIFFERENCE THAT LASTS A LIFETIME.

This is your opportunity to have a positive lifelong impact on the growing number of students with learning differences.

Partner with Morningside Academy, a 501(3) non-profit, as a sponsor, donate items, services and experiences to support a fast, trackable, and successful educational approach to students who need extra support in the classroom.

Since 1980, Morningside has helped thousands of struggling students reach their highest potential. At Morningside students get the opportunity to build their personalized educational tool kit. Students enjoy positive classroom interactions that fuel their confidence and generate a newfound love of learning. Equipped with the tools and confidence for accelerated learning, students quickly shift into overdrive and join their peers at grade level.

With four decades of successful education-based transformations and a global pandemic in our rearview mirror, the demand for our services is increasing.

Morningside's Annual Gala celebrates the teachers, staff and school that is championing the path to success for struggling students. Most importantly, it's our chance to raise money for kids who need financial assistance and support the needs of Morningside.

Please join us at our fundraising gala 1920's themed Gala with fundraising auction February 10th 2023 at Imperia Lake Union from 6pm - 10pm.
