Drop Off & Pick Up Instructions 2023-2024

MORNING DROP OFF:

Starting at 8:30 AM, the front gate will open and students are able to wait in the front yard area. Our doors open for school entrance at 8:45 AM, and classes start at 8:55 AM.

There is a short loading zone in front of the gate on 17th Ave that allows for a quick drop off¹. Should the loading zone be unavailable, or you would like to get out of the car, there is ample street parking in the surrounding blocks that would allow you to park and walk up to the school.

Students who travel by public transportation may stand beside the 17th Ave gate without a parent or guardian, but we prefer they schedule their arrival to be after 8:30 AM, when a Morningside Academy supervisor will be in front of the building to monitor for safety.

AFTERNOON PICKUP:

School is out at 3:40 PM Mondays, Tuesdays, Thursdays, and Fridays, & 2:40 PM on Wednesdays.

All students will exit the front of the building into the front yard area. You can arrive to pick up your student(s) anytime between 3:40 PM and 3:55 PM. *Please call the Front Desk if you will be later than 3:55 PM for pickup.*

- DO use the loading zone on 17th Ave
- If the loading zone is unavailable or full, DO park in the surrounding area and walk up to the school
- Do NOT park in the alley behind the school

Safety Note:

- To ensure student safety, unless otherwise permitted in your initial paperwork, we will not release students from the front yard area until an approved adult has arrived at the building.
- If you drop your student off away from the building, please supervise the walk to ensure the proper use of designated crosswalks!
- Please do not drop your student in the alley behind the school.

¹ Please note that construction in the area will make certain streets inaccessible at times. Please be prepared to take alternate routes until construction has concluded. The current construction in our school area is projected to end by mid-November.
