MORNINGSIDE ACADEMY

AWARDS GALA

FEBRUARY 9TH, 2024

We need you! This is your opportunity to support a school that has a proven track record of getting struggling students back on track.

Partner with us Each year, we organize a fundraising event to raise money for the scholarship fund and school needs. It is also a chance to celebrate the faculty, staff and school that is championing the path to success for struggling students. Become a sponsor and donate (items, services, experiences, funding) to support a fast, trackable, and successful educational approach for students who need extra support in the classroom.

About the school Since 1980, Morningside, a 501c(3) non-profit, has helped thousands of struggling students reach their highest potential. At Morningside students get the opportunity to become a better student by building educational skills through the school's tested and proven instruction methods. Students enjoy positive classroom interactions that fuel their confidence and generate a newfound love of learning. Equipped with the tools and confidence for accelerated learning, students quickly shift into overdrive and join their peers at grade level. With four decades of successful education-based transformations and a global pandemic in our rearview mirror, the demand for our services is increasing.
