

MORNINGSIDE ACADEMY'S PROFESSIONAL
LEARNING SERIES PRESENTS:

BUILDING STRONG READERS

Are you ready to strengthen your reading instruction with strategies that truly work?

This dynamic, evidence-based workshop series is designed for educators committed to delivering high-impact, research-driven instruction. Discover Morningside's recommended reading curricula rooted in the science of reading — including phonics, phonemic awareness, fluency, vocabulary, and comprehension.

Whether you're a classroom teacher, literacy specialist, or instructional leader, you'll gain practical tools and research-backed methods to transform student outcomes.
