

Morningside Academy

Fall 2025 Extended Day Activities

September 15th, 2024 - December 18th, 2025

We offer a variety of after-school activities to Morningside Academy students! Please review the extended day options below for Fall. You'll find the program details in the chart on the following page. Note that there are no extended day classes on Fridays, during Professional Development days, conference weeks, and school closures. To enroll, please complete the Extended Day Sign Up google form. Payment will be collected by our Accountant at the end of each quarter. For all after school activities, we ask that students remember to pack an extra snack and reusable water bottle!

Monday - Yoga and Social Skills Enrichment

Join instructor Sylwia Mazur Johnson for this engaging after-school program that blends movement, mindfulness, and social learning to help students build confidence, emotional awareness, and positive peer connections. Each session includes yoga-based activities, breathing exercises, and interactive social skills lessons using games, storytelling, and teamwork. Students will explore self-regulation strategies, communication tools, and friendship-building skills—all in a supportive and playful environment tailored to their developmental needs. This class is open to all ages.

Tuesday - Minecraft Coding

Calling all Minecrafters! Join us in this course to build Minecraft mods (modifications) while learning coding. With a drag-and-drop coding environment, students learn coding concepts, such as Variables, Conditionals, and Loops. They apply the concepts to personalize the game with custom world maps, new items, chat commands, and mini-games! It will be an exciting journey of coding and creativity! (This class is designed for students age 9+. Younger students are welcome to join but may require additional support.)

Wednesday - Art Club

Join art teacher Marijke for after school *ART CLUB*! This is a great afterschool hangout for kids who love making stuff. This quarter, we will be taking a deep dive into the art of printmaking. Carve your own stamps, design multi-layered cards for friends and family, and learn about pro tools & techniques from around the world. Cost includes all materials for the quarter.

Thursday - Hip Hop Dancing

Instructors from PopRox Dance Studio in Capitol Hill are partnering with us to offer dance classes! At a PopRox hip-hop kids class, we prioritize a fun and respectful environment. We break down the fundamentals that are present in many different styles of dance, including rhythm and confidence! Perfect for kids whether they are learning this style of dance for the first time or already a confident dancer. We play lots of dance games to keep kids engaged, and teach a fun and exciting routine to current pop music for the kids to perform at the end of the series, so they can show off and feel great about all they have learned!
